*Simon Peter, a bond-servant and apostle of Jesus Christ.....*

1. What two terms does Peter use to identify himself?
2. Both terms are used in relationship to whom? (of \_\_\_\_\_)
3. Apostle means one who is sent. Bond-Servant means one whose will is consumed by the will of another. Spend some time thinking about this concept before moving on. How is this significant to your relationship with Christ?
4. Our world is full of people who desire to be "known". How does this study challenge that way of thinking?
5. What are some ways you can focus on your identity only being a servant of Christ?

This Weeks Challenge: "Jesus, remind me today I am nothing without you. I was created to do one thing, and one thing only. I am here to be your servant. Show me what this means. - Amen"
